reflecta RecordPlayer LP-USB/SD

With the **new reflecta RecordPlayer LP-USB/SD** you can easily **digitize** your long-playing-records easily into **digital Music-Files**. Just apply the long-playing-record and start; **no PC** is needed. The digitalized Music-Files will be stored direct onto the **USB-Stick** or **SD card**, because the RecordPlayer has an integrated MP3-Converter.
The **RecordPlayer LP-USB/SD** can be used as normal RecordPlayer, because of 2 built-in loud-speakers.

reflecta RecordPlayer LP-USB/SD
